

EMERGENCY MANAGEMENT INSTITUTE

NATIONAL EMERGENCY TRAINING CENTER • EMMITSBURG, MD 21727

FEMA

(UPDATE) Course: *E0261 Consequences of Dam Failure*

Course Dates:

July 7-8, 2014

Travel Dates:

July 6 and July 9, 2014

Course Length:

This course is 2 days in length.

Location:

Emergency Management Institute (EMI)
National Emergency Training Center (NETC)
Emmitsburg, Maryland

Course Description:

This course provides dam owners, professional staff of dam safety and security programs and emergency managers at the Local, State, Tribal, Territorial, and Federal levels, as well as dam safety, dam security, and incident management personnel from the private sector with an overview and description of current methods and tools available for assessing the potential consequences of dam failure and how these assessments can be integrated into local emergency management planning efforts.

Course Goals:

The purpose of this course is to provide an overview and description of current methods and tools available for assessing the potential consequences of dam failure and how these assessments can be integrated into local emergency management planning efforts.

Upon completion of this course, participants will be able to:

- Describe the benefits of assessing the potential consequences of dam failure.
- Describe the relationships between consequence assessment and other planning mechanisms.
- Explain the methods used to estimate the potential for loss of life resulting from dam failure.
- Describe the potential economic consequences of dam failure.
- Assess other consequences of dam failure, including social, institutional, and environmental consequences.
- Analyze a scenario to determine potential consequences of dam failure.

Prerequisites:

None

Continuing Education Units (CEU's):

The Emergency Management Institute (EMI) awards 1.2 CEUs for completion of this course.

Continuing Education Credits (CEC's):

The Association of State Floodplain Managers (ASFPM) awards 12 CECs (core) for completion of this course.

Target Audience:

The audience for this course is limited to dam owners, professional staff of dam safety and security programs and emergency managers at the Local, State, Tribal, Territorial, and Federal levels, as well as dam safety, dam security, and incident management personnel from the private sector.

TRAINING OPPORTUNITY

To Apply:

Complete a FEMA Form 119-25-1, General Admissions Application, with student signature and signature of supervisor or sponsoring agency official/State Emergency Management Training Office. Submit the application no later than May 26, 2014. Mail, scan, or fax the application to:

NETC Admissions Office (Room I-216)
National Emergency Training Center
16825 South Seton Avenue
Emmitsburg, MD 21727-8998
Phone: (301) 447-1035 Fax: (301) 447-1658
Email: netcadmissions@fema.dhs.gov

Scan the QR Code, or click the link to get information on how to apply for EMI courses:

<http://training.fema.gov/Apply/>

Note to RTMs and RPMs and STOs: The FEMA Form 119-25-1 must be received by NETC Admissions – no later than 6 weeks prior to the course start.

Application Review:

In order to be evaluated for admission into this course, block #16 on the application form must be completed. Please refer to the student selection criteria listed below and indicate how you meet the requirements based upon your position and experience.

Upon acceptance into the course, NETC Admissions will mail out an Acceptance Letter/Welcome Package outlining travel information, NETC shuttle services, lodging and other logistics. Scan the QR Code, or click the link for a PDF copy of the NETC Welcome Package online:

http://training.fema.gov/EMIWeb/downloads/NETC_Welcome_Package.pdf

Lodging is provided for course participants on the NETC campus. Participants staying overnight on campus are required to purchase a meal ticket for the duration of the training activity. Notify the NETC Transportation Office at least 2 weeks prior to the course date to reserve a seat. Call (301) 447-1048, ext. 1113, or email FEMA-netc-housing@fema.dhs.gov.

Travel Authorizations:

PFT and CORE employees must ensure their travel authorization (TA) is completed through Concur Government Edition (CGE) Travel System for course offerings.

All Federal travelers must have an approved TA prior to travel. A copy of the TA must be presented upon arrival. No exceptions are made to the NETC policy.

Notice to Applicants for EMI courses:

Individuals applying for EMI classes will be required to register using the FEMA Student Identification (SID) number. This number will be used in place of the Social Security Number (SSN) on your application form. **The SSN is no longer required.**

How do I obtain my FEMA SID number?

- Step 1: To register, go to <https://cdp.dhs.gov/femasid>
- Step 2: Click on the “Need a FEMA SID” button on the right side of the screen.
- Step 3: Follow the instructions and provide the necessary information to create your account.
- Step 4: You will receive an email with your SID number. You should save this number in a secure location.

What do I do with this new SID number I have been assigned?

The SID number is used in place of the SSN on your General Admissions Application (FEMA Form 119-25-1).

EMI Point of Contact:

For additional information contact the course manager, Jordan T. Manos, P.E., S.E., PMP, at (301) 447-1356 or by email at: Jordan.Manos@fema.dhs.gov
